

# EUGENE SIVOKON

## TEAM & PROJECT MANAGER

I'm specializing in team and project management, marketing strategies, and deeply involved with template design and extension development from scratch to product's official release. Also I am involved into web development and create sites according Specifications using various CMS.

## WORK EXPERIENCE

### NORRBITS S.R.O.

Nov 2012 - present

CEO & founder. NorrBits, s.r.o. is focused on template and extension development. The legal address is registered in Czech Republic. It represents other projects for web developers: NorrNext (extension provider) and NorrTheme (template provider). My role here is team management, project management, strategic planning and the marketing.

### ROUND INTERACTIVE

Sep 2009 - Aug 2015

CEO & founder. Round Interactive has directed its efforts on professional services such as: e-commerce, website development, technical support and various custom works. My role: work with clients, project management and web development (Joomla! CMS). Studio's affiliated project: RoundTheme (templates for 3rd party Joomla! extensions)

### CRE:ACTIVE LAB

Jul 2006 - Sep 2009

Founder, web developer & project manager. First experience of work in a small team of freelancers providing professional services. It took over the team management duties and actively worked with clients. Using various techniques. I started to primarily use Joomla! CMS for website development from year 2007.

### FREELANCE

Feb 2002 - Jul 2006

I started in 2002 as a way to practice my skills making websites for friends and this experience went from a little hobby that turned into a lucrative job. Over the years I have developed lot of websites using HTML/CSS/JS technologies and providing custom design.
